

Summary of Qualifications

Montez Group Incorporated (MGI) is a professional services company focused on Sustainable Mobility. Our services are built around the movement of people and goods.

We offer Construction Management Support Services that are backed by a team of highly skilled professionals. Our focus is on assisting clients in the successful delivery of impactful projects while adhering to strict timelines and budgets. We also ensure that the project close-out process is audit-proof.

Industry Experience:

- Transportation, including Light and Heavy Rail, Highways, Aviation Facilities, and Runways/Taxiways
- Water Treatment Systems Controls and Civil Facilities
- Sports and Entertainment Venues
- Commercial Building Projects

Montez Group is committed to delivering top-notch services to its clients. Our projects encompass a broad range of industry segments, and we have a wealth of experience to draw upon. Our staff members have extensive expertise in mega-projects and alternative delivery methods, such as Design-Build, Progressive Design Build, CM-GC, and P3. We are well-prepared to use our experience and expertise to help our clients build successful projects.
